There has undoubtedly been an increase of work and the salaries at Bangr (except the Translator) are ill paid and deserve each a small increase. The 2 asst heads are also unsuitably but as the increase now proposed entails an annual cost of Rs 1500 I would slightly modify the proposals as shewn under

	Present Salary	Increase		Proposed Salary

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 10789 A Judl / 352 Judl

~~Bangalore~~ Mysore, 17th July 1898

From

H J BHABHA Esq,

Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore
in the General and Revenue Depts,
Bangalore

SIR,

I have the honour to submit for the favourable consideration of Government the following proposals regarding the off establishment of the Inspector General of Education The office is an important one, and its work in like that of most headquarter offices is such that it must grow from year to year as education continues to advance and spread The following table shows the increase of Public Institutions, of Pupils and of expenditure from State Funds and the Village School Fund

from

from 1889–90 to 1896–97.

Year	Number of Public Institutions.	Number of Pupils in Public Institutions	Gross Expenditure from	
			State Funds	Village School Fund
1889-90	1441	66,501	2,71,649	1,34,640
1890-91	1596	72,970	2,96,086	1,62,636
1891-92	1663	76,288	3,38,544 (12 months)	1,66,644 (12 months)
1892-93	1698	76,963	4,03,518	1,74,479
1893-94	1775	79,496	4,23,638	1,87,589
1894-95	1797	83,398	4,86,404	1,95,827
1895-96	1908	86,521	5,05,366	2,01,391
1896-97	2021	90,324	5,23,884	2,05,930

In the space of eight years the number of Public Institutions has increased from 1441 to 2021, that of Pupils from 66,501 to 90,324, and the expenditure from Public Funds has increased from Rs 4,06,289 to Rs 7,29,814. With the growth of the department the work of the office also has increased.

2 The increase of work in the office may be judged also from the number of papers despatched from and received in this office during the last five years as shown

shown in the following tables

Number of Papers despatched

Year	English correspond-ence	Kannada correspond-ence	Accounts		Total
			Correspondence	Bills passed	
1892-93	7804	2528	560	1782	12674
1893-94	8070	2473	381	1024	11948
1894-95	8298	2840	362	1606	13,106
1895-96	8951	2913	162	1494	13,520
1896-97	10264	2104	293	1646	14307

These figures do not include forms books &c despatched from the office

Number of Papers received

Year	Number of Papers received and registered	Remarks
1892-93	7350	These figures not only exclude books &c received but also the large number of monthly returns received from all High, Anglo-Ver Taluk and Taluk Branch Schools
1893-94	8710	
1894-95	11396	
1895-96	12249	
1896-97	15006	

It will be seen that the number of papers disposed of by the office has been doubled in the space of five years

3 As shown in the annexed Comparative statement the scale of establishment

sanctioned for this office compares unfavourably with that of other offices which were formed long after the Public Instruction office was established The establishment of this office was so poorly paid in the time of my predecessors that in spite of small increases sanctioned of late it can not be said to be adequately paid - In quality of work I venture to submit that this office can compare favourably with any other Departmental office This office has to deal with numerous complicated questions which the ingenuity of the large number of educated men employed in the Department can raise - I recommend therefore that Government may be pleased to sanction the following revised scale of pay for the eleven clerks of my office

1 Clerk on Rs 60	2 on Rs 35
1 " on Rs 50	2 on Rs 30
2 " on Rs 45	1 on Rs 25
2 " on Rs 40	

4 Compared with the office establishment of 1889–90, the present

establishment contains three additional hands Yet the clerks of the office are not able to go through the work, unless they work both in and out of office hours At present it is with great difficulty that a hand can be spared to make a fair copy of the Annual Report, to prepare the annual schedules of establishments or to accompany the Inspector General on tour For want of a sufficient number of hands delay is often caused in the disposal of business It seems absolutely necessary to employ at least two more hands to give immediate relief to the overworked officials I recommend that two new hands may be employed on Rs 25 and 20 respectively

5 The present and proposed scales for the clerks of my office compare as follows

	Present scale		Proposed scale inclusive of two new hands	
10	1	Clerk on 45	1	Clerk on Rs 60
10	1	" on 40	1	" on Rs 50
5×4 20	4	" on 35	2	" on Rs 45
5×2 10	2	" on 30	2	" on Rs 40
5×2 10	2	" on 25	2	" on Rs 35
5	1	" on 20	2	" on Rs 30
	11		2	" on Rs 25
	Total monthly cost Rs 355		1	" on Rs 20
			13	
			Total monthly cost Rs 480	

6

I request that Government may be good enough to sanction the proposed increase of Rs 125 a month or Rs 1500/- a year

I have the honour to be,

Sir,

Your most obedient servant,

H J Bhabha

From the Extensn branch

Letter No 10789/352 Dated 17th May 1898 from the Inspector General of Edn in Mysore

Order thereon No 1929-30
Ed F 1—96
Dated
9—8—98

In the above letter the Inspr Gl represents that since 1895 the number of public institution and the pupils thereof have considerably increased in consequence of which his office work has also increased, the number of papers disposed of being doubled. He therefore recommends that the Clerical establishment of his office which is poorly paid and underhanded requires strengthening by more liberal salaries and by the addition of 2 more hands at an aggregate additional cost of Rs

Under the circumstances reported, Government are pleased to direct that the office establishment of the Inspector General of Education be strengthened and revised at an additional monthly cost of Rs 100, with effect from 1st July 1898. The present clerical establishment and that as now sanctioned are as shown below —
